TERMINAL DISCLAIMER UNDER 37 C.F.R. § 1.321

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

The sole owner of the complete interest in the subject application, Science Applications International Corporation ("SAIC"), hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the subject application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154-156 and 173 of U.S. Patent 6,232,519. SAIC hereby agrees that any patent so granted on the subject application shall be enforceable only for and during such period that said patent and said U.S. Patent 6,232,519 remain commonly owned. This agreement runs with any patent granted on the subject application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the subject application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154-156 and 173 of U.S. Patent 6,232,519, in the event that such patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

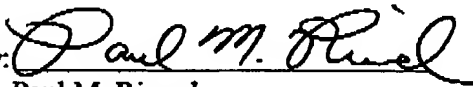

The undersigned is an Attorney of Record.

Please charge \$ 110 for the Terminal Disclaimer to our Deposit Account 19-0733. If this amount is incorrect, the Commissioner is authorized to charge any additional fee or credit any overpayment to our Deposit Account No. 19-0733.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

Date: April 29, 2003
